

Civic Literacy and Service Learning Engage Youth in Public Policy-making

- ☆ Project Citizen engages youth in identifying and researching an issue in their community, proposing real public policy alternatives and developing an action plan with a solution to the problem
- ☆ Project Citizen emphasizes reading, writing, speaking and listening skills - connecting English-Language Arts, History- Social science and other core subjects in a civic education context

**Learn how to use Project Citizen in your classroom
(including AVID and leadership classes), after school or
youth program, grades 4-12**

**When: Wednesday, January 27, 4-8 pm and
Friday, January 29, 8:00 – 3:30**

**Where: Sacramento County Office of Education
10474 Mather Boulevard
Sacramento, CA 95826-9003**

Cost: FREE. Training costs, including the substitute costs for Friday, January 29, are covered by a grant from the Center for Civic Education. Meals provided. Participants receive a set of Project Citizen materials.
