Description

Indigenous Land Acknowledgement

We should take a moment to acknowledge the land on which we are gathered. For thousands of years, this land has been the home of Patwin people. Today, there are three federally recognized Patwin tribes: Cachil Dehe Band of Wintun Indians of the Colusa Indian Community, Kletsel Dehe Band of Wintun Indians, and Yocha Dehe Wintun Nation.

The Patwin people have remained committed to the stewardship of this land over many centuries. It has been cherished and protected, as elders have instructed the young through generations. We are honored and grateful to be here today on their traditional lands.

YCOE ECE Student Intern Program

We are starting up our YCOE ECE Student Intern Program with Woodland Community College students and we presented the program during two class sessions at Woodland Community College on September 19. We invited interested students to attend an informational meeting the following week at YCOE and as a result of that meeting, we had several students interested to participate in the YCOE ECE Intern Program in the Spring Semester once they complete the required 9 ECE units. We also had one ECE student ready and interested to begin the program this semester and we are excited to bring her aboard.

Head Start

We utilize the Desired Results Developmental Profile (DRDP) to measure developmental progress across multiple domains for our children. Teachers make observations and rate progress three times a year and share those results with parents during parent/teacher conferences. Teaching staff analyze the results and plan for individual and group instruction. Our Head Start teaching staff began using the Learning Genie program for their child observations this year. This digital platform allows teaching staff to record observations using a tablet. Teachers can include photos and verbally record observations which are transcribed into text. Teachers can also tag multiple measures for one observation, as well as multiple children included in the observation. This reduces the workload for our teaching staff and increases efficiency. The Learning Genie also has a parent engagement component, which allows teachers to communicate with parents through the
app by sending messages, reminders, stories, songs as well as learning activities. Parents can record their child as well and send it to the teacher as a way to provide evidence toward the DRDP measures, as well as In Kind contributions.

**Carry Over Funds**

In the 2021-2022 program year, the Office of Head Start allowed our program to carryover unspent funds from the previous fiscal year due to the pandemic. We were able to accomplish many of the tasks in the carryover plan we submitted; however, we did not complete some of our outdoor learning environment projects. We can carry over those unspent funds into Year 5 of our grant, and our Policy Council approved this at our September Policy Council meeting. The plan for these carryover funds is to improve the outdoor play yard at our Montgomery HS/EHS site, replace the play structure at our Woodland Central Head Start and improve the outdoor space at our Esparto Head Start center.

The Yolo COE continues to prioritize student wellness and development needs making strategic reassignments to maximize performance and results. Principal Gayelynn Gerhart began service as YCOE’s new Director of Special Projects: Student Services September 26, 2022. Director Gerhart’s duties include but are not limited to management and coordination of the following:

- California School Leadership Academy
- Community School Implementation advisory
- Testing Services for YCOE students and programs; support of Yolo County programs
- Title II services
- Services, programs, and reporting associated with the Educator Effectiveness grants and funded programs and services
- Emergency Operations Plan

Additionally, in collaboration with the Director of Wellness and Intervention, Director Gerhart will support the Pupil Services Network, a community of practice designed to support the work of Student Services leads serving in Yolo County school districts and charter schools.

Dr. Heather Schlamann assumed leadership of Chavez Community School Monday September 26, 2022. Dr. Schlamann brings a wealth of experience leading high schools and is an expert at student learning methods and curriculum. While retaining duties associated with YCOE’s EL Rise program, Dr. Schlamann will assume supervisory duties of Alternative Education services including the principalship of Cesar Chavez Community School.

- These strategic deployments are designed to enhance the quality of student experience and outcomes by streamlining the service delivery model at school sites and making the considerable knowledge and skills of these two leaders accessible across Yolo County. We have engaged all members of the Yolo County Board of Supervisors regarding the Youth Commission; each have expressed enthusiastic support for the Commission and comfort
with the process for developing a list of youth commission applicants and a process for training and support.

- Over the next month our school districts will be evaluating the performance of specialized programs and reporting on fund expenditures for the following:
  - ESSER I
  - Governor’s Emergency Education Relief (GEER)
  - ESSER II
  - ESSER III
  - Homeless Children and Youth
  - Expanded Learning Opportunities Grants

- Districts and our county offices of education have successfully uploaded student performance data on local indicators to the California School Dashboard. This will give communities the opportunity to understand the effects of their efforts at intervention and support and inform any changes or upgrades in service. The 2022 Dashboard will include state indicators on:
  - Academic performance in ELA and Math
  - Chronic Absenteeism
  - Suspension rates
  - English Learner Progress
  - Graduation rates
  - (This year there will not be a College Career Indicator included)

- The complete dashboard results should be released for public viewing by December.

- Dr. Sonia Quinones Rambo, our new Director overseeing the Student Services Division started this month. Dr. Rambo is working to fill vacancies in this department:
  - Program Specialist 1;
  - Foster Youth and Homeless Services Outreach Specialist;

    **Prevention and Wellness**
    
    *Sonia Rambo, Director*

The Prevention and Wellness Department has been transitioning staff. The new Director of Prevention and Wellness, Dr. Sonia Rambo, started on September 19 and is getting acclimated to the resources and services available for our Foster Youth and students experiencing homelessness. Dr. Rambo also leads the Tobacco Use Prevention Education (TUPE) program and Social Emotional Learning. As a former Middle School Principal and believer in supporting the whole child, Dr. Rambo is exploring resources that will support our students in Yolo County and help meet student needs. We anticipate filling two other positions in the department within the next month and look forward to seeing what we can accomplish together once fully staffed. Interviews for the Director of Prevention & Wellness took place, and a candidate is pending.

School Districts and Charter Schools with TK Expansion classrooms were required to submit UPK Survey to the CDE by September 30, 2022. This information had been assessed earlier in the school year with the development of the school district UPK Plan that was publicly shared with the Board of the school district.

TK Expansion had a successful start to the new school year with the students learning about the campus, navigating the playground, their new classrooms and making new friends in the classrooms. It is a longer day for some of the students and the teachers are recognizing the need to give these younger students time to ‘refuel’ by allowing some calming times during the early afternoon. TK is meant to be the first year of a two-year Kindergarten program and the children are enjoying the many opportunities for learning in each day. Most important are the relationships and bonds being established.

Special Projects has embraced the Inclusive Early Education Expansion Program (IEEEP) responsibility that has been shifted on a temporary basis until the position is filled to manage this program. The program has “hit the ground running!” with session of the CA Teaching Pyramid available to those that work with younger age students and emphasizes the social emotional and challenges that sometimes comes upon students that are just learning about going to school and making friends. There are five sessions/modules held on Saturdays from 8:30 – 4:30 pm. Lunch and snacks are provided, and the participants receive a stipend if they complete the sessions. Most importantly, the participants learn strategies in understanding ways to cope and developing positive relationships with others.

Special Projects and ECE have joined together to initiate an ECE Task Force looking at continuous improvement and aligning with the framework of the Roadmap to the Future for Children, Youth and Families. If you have anyone that would be a great addition to this group, please let us know so that we can have those experts on this Task Force thinking about the future for 0 – 8-year-old.

Our previous information session scheduled with the Yolo-Solano Center for Teacher Credentialing (YSCTC) was postponed. In the spirit of One YCOE, our department continues to collaborate across all disciplines here at YCOE in addition to our partners in the community to fill our open staff positions. Our goal is to work with YSCTC to make it as easy as possible for our in-house classified staff to complete the intern teaching program and then come work for YCOE as a teacher once they complete the program. We postponed the information session to give us a little more time to shore up some resources and create a plan that ensures that our YCOE classified staff who complete the program will come work for YCOE, not another organization.

Greengate School will be hosting its annual Harvest Festival on October 26, 2022. Be on the lookout for an official invite and more information on the event.
YCOE is committed to ensure Students with Disabilities will have inclusive opportunities throughout the continuum per their Individualized Family Service Plan (IFSP) or Individualized Education Plan (IEP) in their Least Restrictive Environment (LRE) by providing general education access through curriculum, peers, resources, and community as appropriate annually. With classes well underway at all our sites, approximately 65% of our Horizon students are mainstreamed in at least one general education class.

Our Adult Living Skills Class was recognized on 9/27/22 by the Sacramento Rivercats during their AAA School Day at the Park. Our program and students were announced at the game, participated in a parade on the field, met some of the players, and they even made it on the Jumbotron!

Adulting 101: YCOE, in partnership with the Woodland Public Library, hosted Adulting 101: Life Skills for Teens on Saturday, September 10th. Approximately one hundred Yolo County teens attended the event, which included keynote speakers and workshops from approximately twenty different presenters representing Yolo County community organizations, local businesses, and local colleges. YCOE College Career Readiness (CCR) staff presented a workshop that empowered teens with tools to learn about college and career opportunities, including how to identify a career field that fits their passions and strengths.

Work Ready Certificate: College and Career Readiness (CCR) staff have been working on updating the Yolo Work Ready Certificate, with a focus on building co-ownership in the program with school districts and community organizations. Over twenty-five different representatives from schools’ partners and community organizations whose work includes mentoring youth as they prepare for the workforce have participated in workgroup meetings. Karen Swan and Ân Ta gave a presentation at the September Yolo Workforce Innovation Board about the work.

Career Technical Education Incentive Grant (CTEIG) proposal has been submitted to continue work to support Yolo County Career Preparation (YCCP) at Chavez and YCOE’s CTE supports to school districts

English Learner Roadmap Implementation for Systemic Excellence (EL RISE) sessions for 2022-23 are underway including the second year of the Secondary Teachers Strand on September 27th and Administrators on October 11th (in-person at YCOE!).

We are excited to be offering Positive Behavior Supports & Interventions (PBIS) Implementation Support trainings in-person for Washington USD and Woodland JUSD site teams. The Yolo County PBIS Consortium - now in its fourth year - includes all five districts and over thirty-five school sites.

All Williams Monitoring site visits for instructional materials have been completed. No insufficiencies were identified. The report will be presented to YCBE at the November meeting.

Resolution of the Yolo County Board of Education Regarding
Brown Act Compliance and Teleconferencing Pursuant to Government Code Section
54953, as Amended by Assembly Bill 361, During the COVID-19 Pandemic

WHEREAS, on March 4, 2020, Governor Gavin Newsom issued a Proclamation of State of Emergency in response to the novel coronavirus (a disease now known as COVID-19); and

WHEREAS, the County Health Officer declared a local health emergency related to the COVID-19 on March 6, 2020. The County Administrator, acting in his capacity as the Director of Emergency Services, proclaimed the existence of a local emergency related to COVID-19 on March 6, 2020. The Executive Committee ratified these declarations and proclamations on March 9, 2020; and

WHEREAS, on March 17, 2020, Governor Newsom issued Executive Order N-29-20, which suspended and modified the Brown Act teleconferencing requirements (California Government Code Section 54950 et seq.) so that local legislative bodies can hold public meetings via teleconference (with audio or video communications, without a physical meeting location), as long as the meeting agenda identifies the teleconferencing procedures to be used; and

WHEREAS, on June 4, 2021, the Governor clarified that the “reopening” of California on June 15, 2021 did not include any change to the proclaimed state of emergency or the powers exercised thereunder; and

WHEREAS, on June 11, 2021, the Governor issued Executive Order N-08-21, which extended the provision of N-29-20 concerning the conduct of public meetings through September 30, 2021, and the Governor subsequently signed legislation revising Brown Act requirements for teleconferenced public meetings (Assembly Bill 361, referred to hereinafter as “AB 361”); and

WHEREAS, as of the date of this Resolution, neither the Governor nor the Legislature have exercised their respective powers pursuant to California Government Code section 8629 to lift the state of emergency either by proclamation or by concurrent resolution in the state Legislature; and

WHEREAS, as of the date of this Resolution, the local health emergency and local state of emergency declared and proclaimed on March 6, 2020, and ratified by the Yolo County Board of Education on March 9, 2020 remain in effect; and

WHEREAS, while the public health situation is presently improving and the Centers for Disease Control and Prevention (“CDC”) indicate that the community transmission level is
“moderate,” the CDC also explains that “some people and communities, such as our oldest citizens, people who are immunocompromised, and people with disabilities, are at higher risk for serious illness and face challenging decisions navigating a world with COVID-19”;¹ and

WHEREAS, the CDC, the California Department of Public Health, and the County Health Officer all recommend that people experiencing COVID-19 symptoms stay home; and

WHEREAS, like many other facilities throughout the County, the Yolo County Office of Education were not designed to ensure that attendees can remain six feet apart to reduce the possibility of infection with the virus that causes COVID-19; and

WHEREAS, prior to the COVID-19 pandemic, Board meetings would often attract significant attendance and community members and staff would be in close proximity (seated or standing immediately next to one another) for up to four hours;

WHEREAS, holding in-person meetings would encourage community members to come to County facilities to participate in local government, and some of them are likely to be at high risk for serious illness from COVID-19 and/or live with someone who is at high risk; and

WHEREAS, the risks set forth herein could be reduced significantly through the implementation of technological improvements to allow hybrid meetings with limited in-person attendance (likely sufficient to allow social distancing) and the opportunity for remote meeting attendance and participation by community members and staff, and such improvements may be available at the Yolo County Office of Education in the near future; and

WHEREAS, the has considered all information related to this matter, including the associated staff report and other information relating to COVID-19 provided at prior public meetings of the Yolo County Executive Committee;

NOW, THEREFORE, BE IT RESOLVED AND FOUND as follows:

1. The Yolo County Board of Education hereby finds that the fact set forth in the above recitals are true and correct, and establish the factual basis for the adoption of this Resolution.

2. There is an ongoing proclaimed state of emergency relating to the novel coronavirus causing the disease known as COVID-19 and, due to that emergency, meeting in person would present imminent risks to the health or safety of attendees of in-person meetings of this legislative body within the meaning of California Government Code section 54953(e)(1).

3. Under the present circumstances, including the risks mentioned in the preceding paragraph, the Yolo County Board of Education determines that authorizing continued teleconferenced public meetings consistent with Assembly Bill 361 (or “hybrid” meetings conducted with a combination of physical location and teleconference participation to significantly reduce in-person attendance and allow distancing) is necessary and appropriate to balance the community’s right participate in local government while also promoting the health

and safety of attendees and the community.

4. Staff are directed to take all actions necessary to implement this Resolution in accordance with the foregoing provisions and the requirements of Government Code section 54953, as amended by Assembly Bill 361, including but not limited to returning for reconsideration of this Resolution every 30 days hereafter for so long as either of the following circumstances exists: (a) the state emergency proclamation remains in effect; and (b) a credible basis exists for determining that meeting in person would pose imminent risks to the health or safety of attendees.

PASSED AND ADOPTED by the Yolo County Board of Education and the Yolo County Superintendent of Schools at a meeting held on November 8, 2022 by the following vote:

GOVERNING BOARD ELECTIONS (continued)

California Secretary of State's Office:  http://www.ss.ca.gov
Institute for Local Self Government:  http://www.ca-ilg.org
The County Board of Education shall consist of members whose terms shall be staggered so that, as nearly as practicable, one half of the members shall be elected at each regular County Board election. (Education Code 1000, 1007)

Election procedures shall be followed in accordance with state and federal law.

Board Member Qualifications

Any person other than the County Superintendent of Schools, a member of the county office of education (COE) staff, or an employee of a school district that is within the jurisdiction of the County Board is eligible to be a member of the County Board if that person is an elector of the trustee area to be represented and is not legally disqualified from holding civil office. (Education Code 1000, 1006)

Any person who has been convicted of a felony involving the giving, accepting, or offering of a bribe, embezzlement or theft of public funds, extortion, perjury, or conspiracy to commit any such crime, under California law or the law of another state, the United States of America, or another country, is not eligible to be a candidate for office or be elected as a County Board member unless granted a pardon in accordance with law. (Elections Code 20)

The County Board encourages all candidates to become knowledgeable about the role of the County Board. Upon request, all candidates shall be provided with information that will enable them to understand the responsibilities and expectations of being a County Board member, including information regarding available workshops, seminars, and/or training, the county election official's contact information, and general information about school programs, COE operations, and County Board responsibilities.

Election Date

OPTION 1: The election of County Board members shall be held on the first Tuesday after the first Monday in November of each odd-numbered year. (Elections Code 1302)

OPTION 2: To reduce costs associated with conducting elections, the election of County Board members shall be consolidated with the local municipal or statewide primary or general election in accordance with a County Board resolution approved by the County Board of Supervisors. (Elections Code 1302, 10404.5)

However, if a regularly scheduled County Board election held other than on a statewide election date results in a decrease in local voter turnout of 25 percent or more compared to the average local turnout for the previous four statewide general elections, the County Board shall take action to consolidate County Board elections with statewide elections in accordance with Elections Code 14051-14052. (Elections Code 14051-14052)

Term of Office

OPTION 1: The term of office for members elected in regular elections shall be four years, commencing on the second Friday in December following their election. (Education Code 1007, 5017)

OPTION 2: The term of office for members elected in regular elections shall be four years, commencing on the first day of July following their election. (Education Code 1007, 5017)

A member whose term has expired shall continue to discharge the duties of the office until a successor has qualified by taking the oath of office. (Government Code 1302, 1360)

Campaign Conduct
All candidates, including current County Board members running as incumbents, shall abide by local, state, and federal requirements regarding campaign donations, funding, and expenditures.

No candidate shall expend or accept any public money for the purpose of seeking elective office, unless the COE has established a dedicated fund for those seeking election to the County Board and such funds are available to all qualified candidates without regard to incumbency or political preference. (Government Code 85300)

In order to help protect the public's trust in the electoral process as well as the public's confidence in the County Board and the COE, the County Board encourages all candidates to sign and adhere to the principles in the Code of Fair Campaign Practices pursuant to Elections Code 20440.

Statement of Qualifications

On the 125th day prior to the day fixed for the general election, the County Board secretary or designee shall deliver a notice, bearing the secretary's signature and seal, to the county elections official describing both of the following: (Elections Code 10509)

1. The elective offices of the County Board to be filled at the general election and which offices, if any, are for the balance of an unexpired term

2. Whether the County Board or the candidate is to pay for the publication of a statement of qualifications pursuant to Elections Code 13307

OPTION 1: Candidates for the County Board may submit a candidate statement to the elections official for inclusion in the voter's pamphlet. Candidate statements shall be limited to no more than 200 words. (Elections Code 13307)

OPTION 2: Candidates for the County Board may submit a candidate statement to the elections official for inclusion in the voter's pamphlet. Candidate statements shall be limited to no more than 400 words. (Elections Code 13307)

When the elections official allows for the electronic distribution of candidate statements, a candidate for the County Board may, in addition to or instead of submitting a candidate statement for inclusion in the mailed voter's pamphlet, prepare and submit a candidate statement for electronic distribution.

OPTION 1: In order to help defray the costs of campaigning, the County Board shall pay the cost of printing, handling, translating, mailing, and/or electronically distributing candidate statements filed pursuant to Elections Code 13307.

OPTION 2: The County Board shall assume no part of the cost of printing, handling, translating, mailing, or electronically distributing candidate statements filed pursuant to Elections Code 13307. As a condition of having candidate statements included in the voter's pamphlet, the County Board may require candidates to pay their estimated pro rata share of these costs to the County Board in advance pursuant to Elections Code 13307.

Tie Votes in Board Member Elections

OPTION 1: Whenever a tie makes it impossible to determine which of two or more candidates has been elected to the County Board, the County Board shall immediately notify the candidates who received the tie votes of the time and place where the candidates or their representatives should appear before the County Board. At that time the County Board shall determine the winner by lot. (Education Code 5016)

OPTION 2: Whenever a tie makes it impossible to determine which of two or more candidates has been elected to the County Board, the County Board shall schedule a runoff election in accordance with law. (Education Code 5016)

OPTION 3: Before each election, the County Board shall decide whether to resolve a potential tie by lot or by a runoff election. If the County Board has decided to resolve a tie by lot, the County Board shall, immediately after the election, notify the candidates who received the tie votes of the time and place where the candidates or their
representatives should appear before the Board. The Board at that time shall determine the winner by lot. If the County Board has decided to resolve a tie with a runoff election, the Board shall schedule the runoff election in accordance with law. (Education Code 5016)

Shared Services Grant

We held an orientation for our Shared Services Grant opportunity for child care providers in Yolo County on October 25. This grant will provide 10 sessions of compassionate financial coaching offered by Sage Financial Services to support and elevate licensed family child care providers. Participants will receive a financial investment of up to $3,000 to support their financial goals. We have funding to support 25 providers through this program.

Head Start Program Operations

We completed our first of three internal monitoring events in October. During each monitoring cycle we monitor 1/3 of the children’s files in the areas of health, education, disabilities, and enrollment. Our internal monitoring team worked very hard to complete the monitoring within two weeks and provided staff with corrective action plan due dates for any areas out of compliance. Trends in this data will be presented to management staff, and training and technical assistance will follow.

Teachers in our 10 month programs are holding teacher/parent conferences with families to discuss their child’s progress in our program; the 12 month programs have already held their parent/teacher conferences.

We use the Creative Curriculum in our Head Start programs, and classrooms have finished up the “Trees” study and are moving on to the “Clothing Study”. A special event all classrooms look forward to is the “Paper Bag Fashion Show” which is a culminating event for the clothing study. The program sends home a paper bag and invites families to be creative and work with their child to decorate the bag. The child then brings back the bag to the classroom, and wears it for a fashion show. Because all our sites are not back to allowing non-essential visitors on campus, this event will be virtual again this year.
We are gearing up to begin our Raising a Reader family engagement program. We kick off this event with a meeting to explain to families how to sit and engage with their children while reading a book each night supplied in the bag the children bring home every week. The bags are then returned to the classroom at the end of the week to be rotated and distributed to a different child the following week. This allows the families to engage with their child over a variety of literature. Primary language books are included in the book bags, and we explain to the parents that if they don’t speak the language the book is written in, they can make up a story to go along with the pictures, as spending time with their child is the most important part of this process to reinforce brain and vocabulary development.

### Plan Descriptions

**Describe how the funds will support pupils in danger of not achieving a “C” or better in A-G courses.**

Students in the Horizon program will be given additional access to A-G coursework during the school year and/or summer through curricular programs, such as Edgenuity. Horizon program staff and faculty will identify students who are eligible to retake an A-G course they did not pass previously and support them in taking advantage of opportunities provided to retake the classes. Content-specific support will be provided to help students succeed in the A-G classes.

### Additional efforts will be taken to complement College and Career Readiness goals and activities included in the LCAP.

- Activities will be offered to increase understanding of the college-going process and accessibility in students and families. This will include student field trips to regional colleges and presentations by college outreach staff and financial aid experts. More information will be shared with students and families about regional college programs and resources, such as services for students with disabilities, programs for first generation and low-income college students, student supportive services, registration, college entrance requirements, and college applications and registration processes.
- Professional development regarding the college-going process, college access and opportunities will also be included in staff training.
- Professional development regarding strategies to support students in rigorous academic coursework will be offered to staff working with YCOE special education and alternative education students.
Budget:
Funds are budgeted to be spent from January, 2023 to June, 2024.*
Budget includes:
10.64% Indirect ($15,960)
0.25 FTE College and Career Readiness or related staff to coordinate activities and review transcript and A-G related data ($56,250)
Instructional materials and supplies ($20,000)
Consultant contracts to bring in experts to provide staff professional development and/or student and family training ($30,000)
Materials, supplies, travel and conference fees for professional development opportunities ($10,000)
Field trip and school event expenses for activities to educate students and families on the college-going process ($5,000)

*If funds have not all been expended on the planned activities, we can extend spending to the grant deadline of June 30, 2026.

Describe how the funds will support pupils, including tutoring programs, to improve the LEA’s A-G completion rate.

Activities listed above are designed to increase student interest, motivation, and access to A-G Courses. Additional activities to improve the A-G completion rate are:

- Include A-G course review and identification as part of the 2022-2023 instructional materials adoption process. When appropriate, submit courses with newly adopted materials for A-G approval. Provide professional development and coaching to support A-G course implementation.
- Transcript review for students entering YCOE high schools will include A-G review so that any student who has the potential to complete A-G requirements before graduation is identified and A-G course assignment is considered.
A-G Completion Improvement Grant Program: YCOE Plan
Funding was allocated to every LEA in CA in two parts:

1. **A-G Access or Success Grant:**
   - purpose is to increase A-G Completion Rate

2. **A-G Learning Loss Mitigation Grant**
   - purpose is to first provide opportunities for students who did not pass A-G courses during distance learning a chance to make up those courses; and then to increase A-G Completion Rate

YCOE automatically received an allocation for the A-G Access Grant and the A-G Learning Loss Mitigation Grant at $75,000 each, for a total of $150,000. This is one time funding, to be expended by June 30, 2026.
YCOE Strategy
YCOE’s plan for utilizing funds focuses on two strategies:

Increase Awareness
Provide more activities to increase awareness among learners, families and staff on topics related to college access and opportunities, such as:
- entrance requirements
- application and enrollment procedures
- financial aid
- degree offerings & related careers

Increase Access
Provide increased access to A-G approved courses to YCOE Learners.
Activity Examples
YCOE’s strategy includes multiple activities, such as:

**Increase Awareness**

1. Offer more college visit field trips to YCOE learners. Visits will specifically highlight student support programs, such as EOP (Educational Opportunity Program), Disability Services, and student success centers.

2. Host information sessions for families about college access opportunities, including financial aid, admissions and enrollment.

**Increase Access:**

1. Purchase access to A-G approved Coursework on Edgenuity (or other instructional materials) for Horizon and Cesar Chavez learners.

2. Update Cesar Chavez Community School onboarding process to include transcript review and analysis of A-G progress, to guide course enrollment decisions.
Next Steps

YCOE’s A-G Completion Improvement Grant Program Plan is linked to this board packet. This is an information item at this board meeting. At the next board meeting, YCBE will be asked to approve the plan.

Upon approval of plan, YCOE will begin implementation of proposed activities. The specific activities of the Awareness and Access strategies included in the plan will be updated as needed as part of annual progress review, which will include analysis of numbers of students completing A-G courses and A-G Completion Rate.

Funds must be expended by June 30, 2026.
THANK YOU
Description

Statutory changes to the Williams Settlement as stated in California Education Code 35186(d) requires that a school district report summarized data on the nature and resolution of all Uniform Complaints on a quarterly basis to the county superintendent of schools and the governing board of the school district. Further, the summaries must be publicly reported on a quarterly basis at the regularly scheduled meeting of the governing board of school district. The report must include the number of complaints by general subject area with the number of resolved and unresolved complaints. The complaints and written responses must be available as public records. Education Code 35186(a) states that a school district shall use the Uniform Complaint process it has adapted as required by Chapter 5.1 (commencing with Section 4600) of Title 5 of the California Code of Regulation, with modifications, as necessary, to help identify and resolve any deficiencies related to instructional materials, emergency or urgent facilities conditions that pose a threat to the health and safety of pupils or staff, teacher vacancy or misassignment. Meetings and Notices

It is a strong policy of the board to support the legal intent of The Ralph M. Brown Act, which is the law that guarantees the public’s right to attend and participate in meetings of local legislative bodies. The board assures that its meetings will be held in compliance with this law.

The board recognizes that state open meeting laws define a "meeting" as:

1. Any congregation of a majority of the members of the board in the same time and place to hear, discuss, or deliberate upon any item that is within the subject matter jurisdiction of the board or district.

2. Any use of direct communication, personal intermediaries or technological devices by a majority of board members to develop a collective concurrence as to an action the members will take on an item. (Government Code § 54952.2)

Provided that a majority of the board members do not discuss among themselves business of a specific nature that is within the board's subject matter jurisdiction, attendance by a majority of the board's members at any of the following events and individual contacts or conversations between a board member and any other person are not subject to state open meeting laws:

1. A conference or similar public gathering that involves a discussion of issues of general interest to the public or to school boards.

2. An open, publicized meeting organized by a person or organization other than the board to address a topic of local community concern.

3. A purely social or ceremonial occasion. (Government Code § 54952.2)

Board meetings shall be open to the public and held within county boundaries, except as allowed by law. The board welcomes public participation at its open meetings for purposes identified in law (see attached E 9320.00). (Government Code §§ 54953, 54954)

All board policies and administrative regulations shall apply equally to meetings that are video conferenced. The superintendent or designee shall establish procedures to facilitate public participation in the meeting at each video teleconference location.

Regular Meetings

The board shall hold one regular meeting each month. Date, time, and place of these meetings shall be established at the annual organizational meeting.

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public. (Government Code § 54954.2)
Time, Place, Notification for Meetings

At the annual organization meeting or as shortly thereafter as possible, the board will adopt a calendar of regular meetings which shall, in accordance with law, specify the time, place, and date of each regular meeting scheduled before the next organization meeting.

The Secretary of the Board shall notify all local papers each month of the board meeting, date, and hour, and invite the public to attend. The Board shall review its meeting calendar quarterly and will confirm or may change meeting dates at that time. Subsequent changes in meeting dates shall require approval by all sitting board members. Their individual approval/disapproval may be communicated to the Board President, to the Superintendent, or at the Board meeting at which time the matter is considered. (Education Code §§ 1011, 1040, Government Code § 54954)

The meetings of the board shall be held at the office of the Yolo County Office of Education in the Conference Center unless specifically announced for some other location.

A notice of each regular meeting and any special meeting called at least one week in advance, shall be mailed to any person who has filed with the board a written request for such notice. The notice shall be mailed at least one week before the meeting. Requests are valid for one year from the date filed unless renewed. Renewal requests must be filed within 90 days after January 1 of each year. (Government Code § 54954.1)

Persons requesting notices shall pay an annual mailing fee as determined by the superintendent or designee.

Special Meetings (Non-Emergency)

The presiding officer or a majority of the members of the board may call special meetings of the board.

All members of the board and the superintendent shall be notified of the special meeting and the purpose(s) for which it is called by written notice delivered to them at least 24 hours in advance of the meeting. (Government Code § 54956)

The agenda for special meetings shall be posted at a place where citizens and employees may view it at least 24 hours prior to the meeting, and shall be received by news media at least 24 hours prior to the meeting. (Ed Code §§ 1012 and 1016)

An agenda shall be prepared as specified for regular board meetings and shall be delivered with the notice of the special meeting to board members together with supporting documents, if any. The agenda shall be posted according to law. The agenda for the special meeting may be mailed with the notice to news media, organizations and property owners, or the business to be transacted shall be stated in the notice.
Only those items of business listed in the call for the special meeting shall be considered at that special meeting.

When a special meeting is called at least one week in advance, a notice of the meeting shall be mailed at least one week before the meeting to any person who has appropriately filed with the board a written request for notice of regular meetings. (Government Code § 54954.1)

**Special Meetings (Emergency)**

In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, the board may hold a special meeting without complying with the 24-hour notice requirement of Government Code § 54956. An emergency situation means any of the following:

1. A work stoppage or other activity which severely impairs public health, safety, or both, as determined by a majority of the members of the board.

2. A crippling disaster which severely impairs public health, safety, or both, as determined by a majority of the members of the board.

Each local newspaper of general circulation and radio or television station which has requested notice of special meetings shall be notified by the President of the board or the President's designee, one hour prior to the special meeting. In the event that telephone services are not functioning, the notice requirement of one hour is waived, but the board or its designee shall notify such newspapers, radio stations, or television stations of the fact of the holding of the meeting, and of any action taken by the board, as soon after the meeting as possible.

No closed session may be held during an emergency special meeting, and all other rules governing special meetings shall be observed with the exception of the 24-hour notice. The minutes of the meeting, a list of persons the President or designee notified or attempted to notify, a copy of the roll call vote, and any actions taken at such meeting shall be posted for a minimum of ten days in a public place as soon after the meeting as possible. (Government Code § 54956.5)

**Adjourned Meetings**

A majority vote by the board may adjourn any meeting at any time and place specified in the order of adjournment, except that if no members are present at any regular or adjourned regular meeting, the secretary or the clerk may declare the meeting adjourned to a stated time and place, and he/she shall cause a written notice of the adjournment to be given in the same manner as in Government Code § 54596. (See Special Meetings - Non-Emergency). A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special or adjourned special meeting was held within 24 hours after the time of adjournment. (Government Code § 54955).
Only uncompleted items of the original agenda or items related to the original agenda may be acted upon at an adjourned meeting.

**Video Teleconferencing**

The board may use video teleconferences for board meetings when receiving public comment or testimony and during board deliberations. Agendas shall be posted at all video conference locations whenever they are posted elsewhere. (*Government Code § 54953*)

**Public Participation in County Board of Education Meetings**

The board, as the representative body of the Yolo County Office of Education (YCOE), wishes to provide an avenue for any citizen to express interest in the schools. Accordingly, the public is invited to attend any regular or special meeting of the board.

Meetings of the board are conducted for the purpose of carrying on the business of the board, and therefore are not public meetings, but meetings held in public. Meetings are closed to the public only during executive sessions, the purpose of which is to discuss certain matters which are confidential by nature and which are permitted by law to be considered in executive session.

While it is the intent of the board to extend to all citizens a fair and adequate hearing on every matter of concern, complaints from individual citizens or groups within the county about members of the staff or instructional materials will not be considered by the board until efforts have been made to resolve any such complaint by use of the established complaint procedure.

The Board welcomes participation of interested organizations and individuals. Advance announcements of all regular and special meetings are made by posting the agenda on the bulletin board of every school operated by YCOE, at YCOE administrative offices, and at designated public locations, at least 72 hours before a regular meeting and 24 hours before a special meeting. Notice of meetings will also be given to news media, and to those citizens and community and professional organizations who specifically request such notification. Under emergency conditions, a special meeting may be announced by posting the agenda or call for the meeting only, although a determined effort will be made to notify all concerned news media, organizations and individuals. A reasonable charge may be made of those persons and organizations requesting continued advance announcements and agenda backup materials.

Any member of the public may place a matter directly related to board business on the agenda of a regular board meeting, subject to the following conditions:

1. The request must be in writing and be submitted to the superintendent together with supporting documents and information, if any, at least five business days prior to the legally required posting of the agenda.

2. The superintendent shall be the sole judge of whether the request is or is not a "matter directly related to board business."
3. No matter which is legally a proper subject for consideration in executive session will be accepted under this provision.

4. The board may place limitations on the total time to be devoted to the matter at any meeting, and may limit the time allowed for any one person to speak on the matter at that meeting.

The board may take action on a matter placed on the agenda in this manner.

This provision permitting a member of the public to place a matter on the agenda does not prevent the board from hearing any matter which a member of the public may wish to bring to the attention of the board at a regular meeting, but the board cannot take action on such matter at that meeting. The matter could be placed on the agenda for a future meeting and action taken at that time.

Persons addressing the board shall be guided and constrained by the following conditions:

1. The person addressing the board may be required to show a reasonable basis of interest in the affairs of YCOE, such as being a legal resident of the county, being a parent or guardian of a child in a county program, or being a representative of an organization having legitimate concern with YCOE affairs, or other bona fide interest in the proceeding of the board.

2. Whenever the Board president determines a specific complaint or charge to be against a staff member employed by the County Superintendent, the president shall advise the complainant to address his/her complaint to the County Superintendent or designee.

3. Remarks or charges by any person addressing the board which reflect adversely upon the character or motives of any person are out of order.

4. Three minutes may be allotted to each person addressing the board, with a maximum of twenty minutes to any subject. The presiding officer of the board shall endeavor to allot equal time to persons having opposing views on a subject. These general time allotments may be altered at the discretion of the presiding officer.

5. It shall be in order for the members of the board or the superintendent to interrupt the speaker at any time to ask questions or to make a comment as frequently as necessary to clarify the discussion.

6. During the time when the board is holding official meetings, only those persons recognized by the presiding officer shall be permitted to participate in the discussion. Any attempt by any person not so recognized to discuss any matter before the board is out of order.
7. Inappropriate conduct by a person declared out of order by the presiding officer for violation of any of the above rules shall be grounds for summary termination of that person's privilege of addressing the board for that meeting.

Information regarding the procedure for audience participation at board meetings will be made available to the audience prior to any board meeting.
