Description

Indigenous Land Acknowledgement

We should take a moment to acknowledge the land on which we are gathered. For thousands of years, this land has been the home of Patwin people. Today, there are three federally recognized Patwin tribes: Cachil Dehe Band of Wintun Indians of the Colusa Indian Community, Kletsel Dehe Band of Wintun Indians, and Yocha Dehe Wintun Nation.

The Patwin people have remained committed to the stewardship of this land over many centuries. It has been cherished and protected, as elders have instructed the young through generations. We are honored and grateful to be here today on their traditional lands.

Presented by Kristen Wraithwall, Sustainability Manager, Yolo County Sustainability Department.
What is the 2030 Climate Action and Adaptation Plan (CAAP)?
Yolo County’s Climate Goals

- **In 2020,** Yolo County adopted a resolution that declared a climate emergency.
  - This acknowledged that Yolo County community members—particularly those who are low-income, people of color, youth, and/or elderly—are already experiencing the impacts of a climate change.

- The County declared a goal of reaching **net-negative emissions by 2030, with a focus on equity and justice**, and created the Yolo County Climate Action Commission (YCCAC).
What does “Net-Negative” mean?

- This means that Yolo County will **remove more carbon from the atmosphere than we produce**.
- We will do this by **reducing our emissions**, while also supporting practices that **increase the amount of carbon stored in our soils** (also known as carbon sequestration).
The CAAP is a **roadmap** for how Yolo County will reach greenhouse gas (GHG) emission reduction goals by 2030 and adapt to a changing climate.

- Evaluates the **impact of climate change on vulnerable populations**, sectors of the economy, and other critical infrastructure/assets within the community.

- A primary goal of the CAAP is to **make communities more resilient** in the face of drought, flooding, higher temperatures, wildfires, and other climate impacts.
Uses participatory processes to ensure the needs and voices of all community members are included.

- Focus on equity, health, and resilience.

Guided by public input, the CAAP will recommend how the County can lower emissions, use more renewable energy, protect natural resources, and promote sustainable agricultural practices.
WHAT IS YOLO COUNTY’S CLIMATE ACTION & ADAPTATION PLAN (CAAP)

In 2020, the Yolo County Board of Supervisors set the goal of netting a carbon-negative footprint by 2030 with a focus on equity and justice. The Climate Action and Adaptation Plan (CAAP) is a roadmap that outlines the actions that Yolo County will take to meet these greenhouse gas (GHG) emissions reduction goals and help our community be more resilient to climate impacts such as higher temperatures, more frequent wildfires and floods, and drought.

Driven by public input, the CAAP will include recommendations for how we can lower emissions, protect our natural resources, use more renewable energy, and support the sustainable agricultural practices that are already thriving here in Yolo County, and more. The CAAP is designed to benefit all community members and to promote health, equity, and resilience in all processes and outcomes.

WHAT IS A CARBON-NEGATIVE FOOTPRINT?

This means that Yolo County will remove more carbon from the atmosphere than it produces. We will do this by reducing our emissions, while also supporting practices that increase the amount of carbon stored in our soils.

WHAT IS A JUST TRANSITION?

Meeting our climate goals will require some big changes or “transitions” in our energy use, transportation system, and more. Yolo County wants to make sure that this transition is equitable and just, and that vulnerable communities and those most impacted by climate change are not only protected, but also play a central role in the decision-making process. Ensuring a Just Transition is a key focus point for the CAAP.

**Prevention and Wellness**
*Sonia Rambo, Ed.D, Director*

• We welcomed our new Administrative Secretary, Yara Cortes, on June 1. She has been a great addition to the department and is learning her position quickly.
• We have spent much of the summer purchasing and organizing supplies for our Homeless and Foster Youth, preparing for tabling at the county fair in August, cleaning out and organizing our materials to provide better service going forward, and learning more about our specific areas (Homeless, Foster, Tobacco Use Prevention Education, Social Emotional Learning, and Mental Health).

• We are adding a position to our department: Program Specialist I, Social Emotional Learning and Mental Health. We hope to conduct interviews shortly and hope for a quick and smooth onboarding process.

• We continue to seek grant opportunities to help sustain some of the programs we are implementing with current grant funds (an example would be the Wellness Centers paid through the School Behavioral Health Incentive Program). To that end, we anticipate applying for several grant rounds of the Children and Youth Behavioral Health Initiative.

Special Projects
Gail Nadal, Director

• As summer has arrived, educators are in productive planning and reflection. Transitional Kindergarten (TK) updates and announcements of enhanced operations for the 2023-24 school year have been messaged by California Department of Education (CDE) on new requirements and legislation. YCOE and our five-school district Local Education Agencies (LEA’s) will be working together to understand the changes and improvements being made for the growing TK enrollment.
  o Upon full implementation, as a condition for full apportionment for students in TK, a school district or charter school shall ensure that by the 2025-26 school year, TK is available to all children who will have their fourth birthday by September 1 of the school year.
  o A new provision authorizing enrollment of “early enrollment” students will be updated to allow LEAs to enroll these students. The CDE is working with the Legislature to clarify this and will update this guidance upon further changes to the statute. These conditions include but are not limited to, conditions for the TK classrooms in which these “early enrollment” students are placed.

• Yolo County Office of Education held an informational session for Family Childcare providers on July 25, 2023, to create a Childcare Connections Network to support childcare providers in Woodland and Rural Yolo County. This informative orientation gave providers an opportunity to engage and exchange practices with other childcare providers. The Network will be a place for providers to participate in ongoing training and professional development, network with other providers, and receive support for their childcare program. Regular meetings will be planned to support this network of family childcare providers.
• I’d like to formally introduce Edward “Eddie” Graziano, a new Principal for our programs, replacing Lisa Young. Eddie has been in education for 27 years, with 23 years serving in special education. He taught in county operated Special Day Classes (SPC) for 15 years and spent the last 7 years in various administrative positions. He's been happily married for 27 years, with 4 kids together (ranging from 20 to 27 years old and a 3-year-old grandson! He and his wife have 3 dogs and they love to bike ride, hike, kayak, and of course, he's a die-hard Raiders fan.

• On July 6, 2023, Jocelyn Barrios, our Board-Certified Behavior Analyst (BCBA), completed another round of Crisis Prevention Institute (CPI) training for 14 of our staff. Of those staff she trained 10 paraeducators, 1 educationally related mental health services (ERMHS) clinician, 1 occupational therapist and 1 teacher. Great work everyone!

• Extended School Year ended on July 14, 2023. (See pictures below.)

• On June 15, 2023, Jessica Bohatch, YCOE Principal and members of our YCOE Human Relations department, participated in a Job Fair at the Woodland Community and Senior Center.

• We will be hosting a voluntary New Year/New Staff training for new hires within the Sped Department. This training will be on August 9, 2023, from 8:30am - 4:00pm at the YCOE conference center. We are inviting all new hires to attend and some of the staff we hired through the 22-23 school year. There will be up to 25 participants. Para’s, teachers, nurses, speech language pathologists were invited to learn about the Special Education Information System (SEIS), AERIES Information Software, verbal de-escalation skills, trauma informed practices, Outlook, classroom management, and job expectations. We have a bevy of highly qualified trainers creating content for the training, including:
  o Jessica Bohatch - YCOE Principal, Jocelyn Barrios - YCOE BCBA, Laurie Butler-Enchandia - YCOE ERMHS Clinician, Cyndi Hale - YCOE ERMHS Clinician, Monica Phillips - YCOE School Psychologist, Alejandra Hernandez - YCOE Secretary, Kimberly Kimes - YCOE Sr. Computer Systems Specialist, YCOE Information Technology (IT) providers. Questions

Trustee Moreno stated that there is obviously much care and engagement at school. She had questions on hiring another youth advocate part time or full time. Is the position less hours than current youth advocate? Trustee Moreno asked if it makes sense to hire another youth advocate. Staff stated that hiring another full-time employee makes a difference and it is based on experience. Mr. Mojsich stated that
we are giving additional time to advocate to help during peak hours. Trustee Moreno asked about LCAP goals – Goals need to be more specific and not general. Staff stated that goals are achievable in four (4) years. Items are meant to be broad, and actions should be more specific.

Trustee Esquivel commented on Goal 1 additions (are there any changes). She did not see it reflected. Staff commented it was an oversight and will add the Goal 1 additions.

Vice President Yip commented on strengthening trauma informed care for students. Aces scores done during intake by therapist. Staff stated that it is not in LCAP but is part of the process under Social Emotional Learning (SEL).

Trustee Salud-Ambriz commented that he is new to the education world. Acronyms are not always known. He asked if staff could explain acronyms in future.

Trustee Zendejas commented that it is challenging to update and gain access to facilities like the gym where students can walk to or get memberships based on feedback. Mr. Mojsich stated that it is possible, and the staff is trying to engage students outside of campus. Staff will investigate gym memberships and Ms. Gerhart stated that there are new groups that students can and will participate in, for example the Boys and Girls club.

Vice President Yip commented on graduation at detention center and if the facility could be open to community for clubs, events, etc.

Trustee Esquivel thanked the staff for the document.

Vice President Yip commented on the listening tour from students and appreciated needs and wants that were expressed.

Trustee Moreno commented on how the students are asking for ethnic studies and who is developing curriculum. Youth can also be connected to the freedom center. Working with curriculum is part of Equity and Support team per Mr. Mojsich. Culturally relevant action items are part of the LCAP and there is collaboration with the Freedom Center and UC Davis for Chicano studies. This item is part of Interim Principal Schlaman’s to do list.

Trustee Salud-Ambriz asked about the lottery line. Staff stated funds are received based on students that YCOE serves. Once funds are received, they are allocated to programs. The second question includes a meeting with him regarding understanding Page 275 & 276 and the funds being spent and proposed for College and Career. Ms. Hinely stated that in the budget we round everything up. You will sometimes see 0 since we are rounding down and up. This is how we track funds.

Vice President Yip asked about funds collected with school based medical dollars and reimbursements. Mr. Mojsich stated that this is being worked on with the Prevention and Wellness team. Trustee Moreno asked if emergency reserve funds could be used for Yolo COE. Staff stated that reserve is 3% and it is for economic uncertainty. YCOE is at minimum amount. The Board can always raise the amount if they so choose.

President Zendejas commented on understanding county budget. Do department heads quantify what is wanted but are sometimes not able to fund? Are the needs and services not allowed within budget? Does that happen here? Ms. Hinely stated that programs are involved in budget processes, for example Head Start starts process in November and the needs and wants or discussed during budget development.

7.4 Declaration of Need for Fully Qualified Educators of 2023-24
Superintendent Garth Lewis presented this item. This is an Information item. We simply missed bringing forward this item last month. Allows YCOE to seek emergency permits due to staff shortages. President Zendejas asked if this is a requirement or are there restrictions with exemptions or waivers. Site principals do
need a graduate degree. That is firm. Trustee Moreno had a question on page 373 where it lists colleges and universities participating. She asked about Yolo Solano Teaching Credentialing program. Superintendent Lewis stated that it is a qualifying program.

6.0 ACTION ITEMS
6.1 2023-2024 Local Control and Accountability Plan
Gayelynn Gerhart, Director, Special Projects presented this item. Changes were made from feedback at the last meeting.

Trustee Moreno had questions on page 57 in regard to Cesar Chavez mobility at 54% need and the impact vs. statewide average. Also, a question on page 122 on the social and emotional funds for students. Ms. Gerhart answered and discussed the LCAP funding in which she stated that most funding is done by grants, etc. and is not reflected in LCAP. Funding could be out of different sources for staff. Funding can also be shifted. Trustee Moreno also commented that students are asking to go beyond Chicano studies and she has never heard about Chicano studies in curriculum. The first time this subject has come up was in the last meeting in terms of data or feedback survey results. She stated that it is important
to clarify what survey and when it was presented in LCAP.

Ms. Gerhart discussed the specific tasks to get input from staff and community on this topic. Interviews, meetings, gatherings were scheduled to meet goals and find out what students are feeling. Trustee Moreno thought it would be interesting to tell the story of students in a document or in the future to present a report to measure accountability, graduation, and attendance. Ms. Gerhart discussed the large markers and measurements for Chavez including Star testing (annual), math test, consolidated application report showing measurements. Other ways to measure student growth is circle time, individual data, credits, attendance, home data, etc. Staff try to look beyond the dashboard and talk to students who they follow day by day. She stated that there is data, it just looks different from traditional school data.

7.0 INFORMATION ITEMS

7.1 Attendance Board Report – June 2023

Interim Principal Heather Schlaman, Cesar Chavez Community School (CCCS) presented this item. She thanked the Board for attending the CCCS graduation. Trustee Moreno asked if students are involved in multiple programs. Staff stated it is usually one program or the other, for example YCCP. Most students take core work and participate in the YCCP program. She also stated that four (4) YCCP students are interning this summer. Trustee Moreno asked about dual enrollment courses and if they are offered to students from Chavez? Ms. Schlaman stated that there has been a conversation currently on this topic and more information will come to the Board on dual enrollment and college access. Staff have also discussed Chicano studies and are currently working on curriculum to support the new principal.

Trustee Esquivel left at 4:37 PM returned at 4:40 PM

- QRIS grant and continued funding.
- Current support for preschool programs. President Zendejas asked which summer programs are closed. Ms. McClarin discussed the schedule.
- Superintendent Lewis asked a question about the QRIS grant and which programs are supported. Ms. McClarin commented that all California State preschool programs are eligible. YCOE supports Washington USD, Woodland, Esparto and Winters. The Shores of Hope School in West Sacramento is also supported.
- YCOE Head Start federal programs. Superintendent Lewis discussed the mixed delivery model access and quality and the role Ms. McClarin, and her team would play across Yolo County.
- The Local Planning Committee (LPC) community needs assessment. Where the programs are located and what the children need in community and LEAs.

7.3 Section 52066 LEA Support Plan
Maria Arvizu-Espinoza, Associate Superintendent, Educational Services presented this item. She discussed the annual report under the education code and the levels of support. Trustee Moreno asked about the increase in administration at YCOE. Ms. Arvizu-Espinoza commented on the increase of services to districts and the state increasing the requirements of services and reports to the districts. There is a changing role of leadership for county offices of education. Funding was also discussed and when it is available, we do hire. Sometimes the need to hire is absorbed within the office also.

Trustee Esquivel asked about Differentiated Assistance. Staff discussed the dashboard at the state level for district schools and students. Results update every fall from school districts and items reported include absenteeism, suspension rate and the graduation rate. YCOE provides technical assistance to districts and the districts can request support to address certain issues. Trustee Moreno asked if districts pay for this service. YCOE receives state funding for this assistance and to train staff. Trustee Moreno asked if an LCAP has not been approved in the past? Ms. Arvizu-Espinoza stated that she is not aware of that happening.

Superintendent Lewis stated that YCOE has sent LCAPs back to a district to make changes which have been done on occasion. The team works with districts and guides them through the process to avoid any issues.

7.4 2023 Local Indicators
Staff described the data gathering process for this report. Trustee Moreno asked about the response rate from students. Staff stated that eleven (11) responded out of a possible twenty-five (25) so it’s about 50% response rate. Staff stated that it is a voluntary survey for staff and students. Vice President Yip commented on the percentages of climate and culture and asked the possible reasons why voluntary.
Staff stated that the survey is anonymous and that they are trying to understand measures of effectiveness and ideally, we would want all students to answer survey but given circumstances they are given a three (3) week window.

Trustee Esquivel commented and stated that she is concerned about the comments on campus climate, ethnicity and consistency on campus and there is still a good number of students who feel different about cultural background. Those items stand out and is good information to know as staff prepares for a new school year especially with the change in leadership. Staff stated this is all a work in progress.

Trustee Salud-Ambriz stated that he doesn’t rely on surveys. They don’t always show the full situation. He asked if he could see results from the last two (2) years if possible. Staff stated that the surveys are not a direct comparison they use various tools dependent on LEA’s discretion. President Zendejas stated that maybe next year they could use a like survey for comparison, and maybe this would be more concise could be a good baseline for improvement. Trustee Moreno stated that it is very important to have conversations and measure perception. She stated she is glad she has visited CCCS for context and has seen the caring education given to students. Staff stated that the survey is not a research tool, it is a self-assessment of staff and students and not part of metrics on LCAP. Ms. Arvizu-Espinoza clarified the deadline to the state.

Board Committees

The Yolo County Board of Education (“County Board”) may establish County Board committees on matters whenever it determines that such a committee is within its jurisdiction and would benefit the Yolo County Office of Education (“YCOE”). The County Board shall define the duties, responsibilities, authority, and term of a committee at the time of the committee's establishment. Unless specifically authorized by the County Board to act on its behalf, such committees shall act in an advisory capacity only.

The County Board president shall appoint all committees with County Board approval. The president may be a member of any such committee, and shall have the right to attend the meetings of any committee as a participating but non-voting member.

Whenever so charged, County Board committees may actively seek input and participation by parents/guardians, staff, community, and students and may consult with local public boards and agencies.

At the request of the County Board, the Yolo County Superintendent of Schools may serve and/or designate or nominate any YCOE staff member to serve as an advisor to or as a non-voting member of a County Board committee.

Committee Meetings

County Board committees, other than advisory committees with less than a majority of Board members as discussed below, shall provide public notice of their meetings and conduct these meetings in accordance with state open meeting laws. An agenda of any such committee meeting shall be posted not less than 24 hours prior to the meeting. Meetings of advisory committees or standing committees for which an agenda is posted at least 72 hours in advance of the meeting shall be considered as regular meetings of the committee for purposes of the Brown Act. (Government Code 54954)

Standing committees with continuing subject matter jurisdiction include, but are not limited to, those which at the County Board's request are responsible for providing advice on finance, policy, governmental relations, curriculum development, and program evaluation. An ad hoc committee formed for a limited term and charged with accomplishing a specific task in a short period of time is not a standing committee. Advisory committees composed solely of less than a quorum of the members of the County Board are not subject to open meeting laws unless they are standing committees that have a continuing subject matter jurisdiction or a meeting schedule established by the County Board. (Government Code 54952)

When a majority of the members of the County Board attend an open and noticed meeting of a standing committee, the County Board members who are not members of the standing committee shall attend only as observers. (Government Code 54952.2)
Whenever so charged, County Board committees may actively seek input and participation from parents/guardians, staff, community and students and may consult with local public boards and agencies.

**Committee Reports and Recommendations**

County Board committees shall report their activities and/or recommendations to the County Board at an open meeting of the County Board, except in matters on which a closed session is required or allowed by law.

When an item has already been considered at a public meeting by a County Board committee composed exclusively of County Board members, and the meeting provided for public comment on the item before or during the committee's consideration of the item, the County Board may or may not provide for additional public comment on the item at a subsequent County Board meeting. Public comment shall be afforded, however, if the County Board determines that the item has been substantially changed since it was heard by the committee. (Government Code 54954.3)

Board Representatives

The Yolo County Board of Education (“County Board”) recognizes that effective performance of its community leadership responsibilities may require its participation on various committees on matters of concern to the County Board, the Yolo County Office of Education (“YCOE”), or the districts, schools, and students within its jurisdiction. The County Board may appoint any of its members to serve as its representative on a committee of another public agency or organization of which the County Board is a member or to which the County Board is invited to participate.

If a committee discusses a topic on which the County Board has taken a position, the County Board member shall express the position of the County Board. When contributing their own ideas or opinions, the representative shall very clearly indicate that they are expressing their individual idea or opinion and not the opinions of the County Board.

When making such appointments, the County Board shall clearly specify the authority and responsibilities of the representative(s), including, but not limited to, reporting back to the County Board regarding committee activities and/or actions. County Board representatives shall not exercise the authority of the County Board without prior County Board approval.

County Board members serving on these bodies shall act in an advisory or liaison capacity only, and no action by these bodies shall be binding on the County Board, except in those cases where the County Board has entered into a proper agreement with an autonomous body and the County Board appointee serves as an equal voting member along with representatives from other jurisdictions.

Limits of Board Member Authority

The Yolo County Board of Education ("County Board") recognizes that it has authority only as a unit and that a County Board member has no individual authority. County Board members shall hold the education of students above any partisan principle, group interest, or personal interest.

Unless agreed to by the County Board as a whole, individual members of the County Board shall not exercise any authority with respect to any matter within the jurisdiction of the County Board. In appropriate circumstances individual County Board members may independently submit requests for information to the secretary of the County Board.

A County Board member is elected to represent the residents of the trustee area that elects them. The collective County Board should act in the best interests of the community at large.

Individual County Board members do not have the authority to resolve complaints. Any County Board member approached directly by a person with a complaint should refer the complainant to the Yolo County Superintendent of Schools ("Superintendent") or designee so that the problem may receive proper consideration and be handled through the appropriate process. For the purpose of requesting information, County Board members shall also refer County Board-related correspondence to the president and the secretary of the County Board for dissemination to the rest of the County Board or placement on the agenda, as appropriate.

A County Board member whose child is attending a school within the jurisdiction of the Yolo County Office of Education ("YCOE") should be aware of his/her role as a County Board member when interacting with YCOE employees about his/her child. The County Board member should inform the Superintendent before volunteering in his/her child's classroom.

July 2023

Quality Grants

We provided a three-day Summer Session of professional development focusing on *Building a Strong Foundation for School Success* for Transitional Kindergarten (TK) Teachers and Paraprofessionals working in Transitional Kindergarten during July to 20 participants. This professional development was funded through our Early Education Teacher Development Grant, and we partnered with Kelly Twibell Sanchez at the UCD Lab School to offer this experience in-person at the Lab School.

Four Early Learning and Care staff are enrolled in YCOE’s Early Education Teacher Development Grant (EETD) program and are pursuing their Bachelor’s Degree with the California State University Sacramento Child and Adolescent Development (CHAD) program.

During July we completed program and fiscal reporting for FY 22-23 and are preparing FY 23-24 program goals for quality improvement. Orientations will be held in August.

Head Start Program

During the month of July we have our three Extended School Year preschool programs at Alyce Norman operating, as well as our two Early Head Start (EHS) programs at Alyce Norman and our EHS classrooms at Lemen and Montgomery. We provided pre-service training to our EHS teachers on July 3 to get them
started on their new school year. Our 10-month program teachers will return August 1 for nine days of pre-service training, classroom set-up and home visits. Our management team has been working diligently to plan pre-service and get everything ready for all staff to return. Furthermore, our management team has been able to take some well deserved vacation days in order to return in August rejuvenated and refreshed!

Our Family Support Staff have been actively recruiting for our Head Start and Early Head Start programs. July is one of the busiest months for recruiting as our goal is to be 100% enrolled by the beginning of the school year.

5.4.3 Periodic Update of Contact Information: The YCOE shall provide CSEA and its Chapter 639 with a list of all bargaining unit members names and contact information on the last working day of September, January, and May. Governing Board Elections

The Yolo County Board of Education ("County Board") shall consist of five (5) members whose terms shall be staggered so that, as nearly as practicable, one half of the members shall be elected at each regular County Board election. (Education Code 1000, 1007).

Election procedures shall be followed in accordance with state and federal law.

Board Member Qualifications

Any person other than the Yolo County Superintendent of Schools ("Superintendent"), a member of the Yolo County Office of Education ("YCOE"), staff, or an employee of a school district that is within the jurisdiction of the County Board is eligible to be a member of the County Board if that person is an elector of the trustee area to be represented and is not legally disqualified from holding civil office. (Education Code 1000, 1006)

Any person who has been convicted of a felony involving the giving, accepting, or offering of a bribe, embezzlement or theft of public funds, extortion, perjury, or conspiracy to commit any such crime, under California law or the law of another state, the United States of America, or another country, is not eligible to be a candidate for office or be a County Board member unless granted a pardon in accordance with law. (Elections Code 20)

The County Board encourages all candidates to become knowledgeable about the role of the County Board. Upon request, all candidates shall be provided with information that will enable them to understand the responsibilities and expectations of being a County Board member, including information regarding available workshops, seminars, and/or training, the county election official’s contact information, and general information about school programs, YCOE operations, and County Board responsibilities.

(cf. 9230 - Orientation)
(cf. 9240 - Board Training)

Election Date

To reduce costs associated with conducting elections, the election of County Board members shall be consolidated with the local municipal or statewide primary or general election in accordance with a County Board resolution approved by the County Board of Supervisors. (Elections Code 1302, 10404.5)

However, if a regularly scheduled County Board election held other than on a statewide election date results in a decrease in local voter turnout of 25 percent or more compared to the average local turnout for the previous four statewide general elections, the County Board shall take action
to consolidate County Board elections with statewide elections in accordance with Elections Code 14051-14052. (Elections Code 14051-14052)

**Term of Office**

The term of office for members elected in regular elections shall be four years, commencing on the second Friday in December following their election. (Education Code 1007, 5017)

A member whose term has expired shall continue to discharge the duties of the office until a successor has qualified by taking the oath of office. (Government Code 1302, 1360)

**Campaign Conduct**

All candidates, including current County Board members running as incumbents, shall abide by local, state, and federal requirements regarding campaign donations, funding, and expenditures.

No candidate shall expend or accept any public money for the purpose of seeking elective office, unless the COE has established a dedicated fund for those seeking election to the County Board and such funds are available to all qualified candidates without regard to incumbency or political preference. (Government Code 85300)

In order to help protect the public’s trust in the electoral process as well as the public’s confidence in the County Board and the YCOE, the County Board encourages all candidates to sign and adhere to the principles in the Code of Fair Campaign Practices pursuant to Elections Code 20440.

**Statement of Qualifications**

On the 125th day prior to the day fixed for the general election, the County Board secretary or designee shall deliver a notice, bearing the secretary’s signature and seal, to the county elections official describing both of the following: (Elections Code 10509)

1. The elective offices of the County Board to be filled at the general election and which offices, if any, are for the balance of an unexpired term

2. Whether the County Board or the candidate is to pay for the publication of a statement of qualifications pursuant to Elections Code 13307

Candidates for the County Board may submit a candidate statement to the elections official for inclusion in the voter's pamphlet. Candidate statements shall be limited to no more than 400 words. (Elections Code 13307)

The County Board shall assume no part of the cost of printing, handling, translating, mailing, or electronically distributing candidate statements filed pursuant to Elections Code 13307. As a condition of having candidate statements included in the voter's pamphlet, the County Board may require candidates to pay their estimated pro rata share of these costs to the County Board in advance pursuant to Elections Code 13307.
Tie Votes in Board Member Elections

Whenever a tie makes it impossible to determine which of two or more candidates has been elected to the County Board, the County Board shall immediately notify the candidates who received the tie votes of the time and place where the candidates or their representatives should appear before the County Board. At that time the County Board shall determine the winner by lot. (Education Code 5016)

Events Causing a Vacancy

A vacancy on the Yolo County Board of Education (“County Board”) may occur for any of the following events:

1. The death of an incumbent. (Government Code 1770)

2. The adjudication pursuant to a quo warranto proceeding declaring that an incumbent is physically or mentally incapacitated due to disease, illness, or accident and that there is reasonable cause to believe that the incumbent will not be able to perform the duties of his/her office for the remainder of his/her term. (Government Code 1770)

3. A County Board member's resignation. (Government Code 1770)

4. A County Board member's removal from office, including by recall. (Elections Code 11384; Government Code 1770)

5. A County Board member's ceasing to inhabit the trustee area which he/she represents on the County Board. (Government Code 1770)

6. A County Board member's absence from the state for more than 60 days, except in the following situations: (Government Code 1064, 1770)

   a. Upon County Board business with the approval of the County Board.

   b. With the consent of the County Board for an additional period not to exceed a total absence of 90 days. In the case of illness or other urgent necessity, and upon a proper showing thereof, the time limited for absence from the state may be extended by the County Board, for an additional period not to exceed 30 days.

   c. For federal military deployment, not to exceed an absence of a total of six months, as a member of the armed forces of the United States or the California National Guard.

If the absence of the County Board member for military deployment exceeds six months, the County Board may approve an additional six-month absence upon a showing that there is a reasonable expectation that the member will return within the second six-month period, and the County Board may appoint an interim member to serve in his/her absence.
If two or more members of the County Board are absent by reason of military deployment, and those absences result in the inability to establish a quorum at a regular meeting, the County Board may immediately appoint one or more interim members as necessary to enable the County Board to conduct business and discharge its responsibilities. The term of an interim member appointed in these circumstances shall not extend beyond the return of the absent County Board member or beyond the next regularly scheduled election for that office, whichever occurs first.

7. A County Board member's ceasing to discharge the duties of his/her office for the period of three consecutive months, except when prevented by illness or when absent from the state without the permission required by law. (Government Code 1770)

9. A County Board member's refusal or neglect to file his/her required oath within the time prescribed. (Government Code 1770)

10. The decision of a competent tribunal declaring void a County Board member's election or appointment. (Government Code 1770)

11. A County Board member's commitment to a hospital or sanitarium as a drug addict, dipsomaniac, inebriate, or stimulant addict by a court of competent jurisdiction, in which case the office shall not be deemed vacant until the order of commitment has become final. (Government Code 1770)

12. A "failure to elect" in which no candidate or an insufficient number of candidates have filed to run for a County Board seat(s). (Education Code 5090, 5326, 5328)

**Timelines for Filling a Vacancy**

When a vacancy occurs, the County Board shall take the following action, as appropriate: (Education Code 1008)

1. When a vacancy occurs within four months of the end of a County Board member's term, the County Board shall take no action. (Education Code 5093)

2. When a vacancy occurs more than four months before the end of a County Board member's term, the County Board shall either order an election or make a provisional appointment within 60 days of the date of the vacancy or the filing of the member's deferred resignation unless a special election as described in item #3 below is required. (Education Code 5091, 5093)

3. When a vacancy occurs between six months and 130 days before a regularly scheduled County Board election but the vacant position is not scheduled to be filled during that election, a special election to fill the position shall be consolidated with the regular election. The person
elected shall take office at the first regularly scheduled County Board meeting following the certification of the election and shall serve until the end of the term of the position which he/she was elected to fill. (Education Code 5093)

Eligibility

In order to be appointed or elected to fill a vacancy on the County Board, a person must meet the eligibility requirements specified in Education Code 1000 and 1006 and described in Board Bylaw 9220.

Provisional Appointments

When a special election is not required, the County Board is authorized by law to make a provisional appointment to fill a vacancy on the County Board. Before making a provisional appointment, the County Board shall advertise in the local media to solicit candidate applications or nominations. The County Board shall ensure that applicants are eligible for County Board membership, interview the candidates at a public meeting, accept oral or written public input, and select the provisional appointee by a majority vote.

The person appointed shall be afforded all the powers and duties of a County Board member immediately upon appointment and shall hold office until the next regularly scheduled election for County Board members. (Education Code 5091)

Within 10 days after the appointment is made, the County Board shall post notices of the actual vacancy, or the filing of a deferred resignation, and the provisional appointment. The notice shall be published in the local newspaper pursuant to Government Code 6061 and posted in at least three public places within the jurisdiction of the County Board. (Education Code 5092)

The notice shall contain: (Education Code 5092)

1. The date that the vacancy occurred or the date of the filing of, and the effective date of, the resignation

2. The full name of the provisional appointee

3. The date of appointment

4. A statement notifying the voters that unless a petition calling for a special election pursuant to Education Code 5091 is filed in the office of the Yolo County Superintendent of Schools within 30 days of the provisional appointment, the appointment shall become effective

Appointment Due to Failure to Elect

When a vacancy occurs because no candidate or an insufficient number of candidates have been nominated (i.e., a failure to elect) and an election will not be held, the County Board shall appoint a qualified person to the office. This appointment shall be made at a meeting prior to the day fixed for the election and the appointee shall be seated at the organizational meeting as if elected at the election. (Education Code 5328)
When an appointment is being made because of a failure to elect, the County Board shall publish a notice once in a newspaper of general circulation published in the county, or if no such newspaper exists, in a newspaper having general circulation within the county. This notice shall state that the County Board intends to make an appointment and shall inform persons of the procedure available for applying for the appointment. (Education Code 5328.5)

The procedure for selecting and interviewing candidates shall be the same as the procedures specified above in the "Provisional Appointments" section.

Eligibility

In order to be appointed or elected to fill a vacancy on the County Board, a person must meet the eligibility requirements specified in Education Code 1000 and 1006 and described in Board Bylaw 9220.

When a special election is not required, the County Board is authorized by law to make a provisional appointment to fill a vacancy on the County Board. This appointment shall be made at a meeting prior to the day fixed for the election and the appointee shall be seated at the organizational meeting as if elected at the election. (Education Code 5328)

This notice shall state that the County Board intends to make an appointment and shall inform persons of the procedure available for applying for the appointment. (Education Code 5328.5)

The procedure for selecting and interviewing candidates shall be the same as the procedures specified above in the "Provisional Appointments" section.
