BOARD OF EDUCATION OF THE
WASHINGTON UNIFIED SCHOOL DISTRICT

RESOLUTION NO. 1819-08

RESOLUTION ADOPTING TRUSTEE AREA BOUNDARY MAP AND
ELECTION SEQUENCE FOR ELECTION OF MEMBERS OF THE BOARD OF EDUCATION;
SUBMITTING PROPOSAL TO THE YOLO COUNTY COMMITTEE ON SCHOOL DISTRICT
ORGANIZATION TO ESTABLISH BY-TRUSTEE AREA ELECTIONS

WHEREAS, the Washington Unified School District ("District") is governed by a five
member Board of Education ("Board");

WHEREAS, members of the Board are elected "at large," in which each member of the
Board is elected by the registered voters of the entire District;

WHEREAS, the District is committed to structures that most effectively involve all
community members in the democratic process of elections;

WHEREAS, the California Voting Rights Act (Elec. Code, §§ 14025 et seq.)("CVRA")
prohibits the use of "at large" elections where their use impairs the ability of a protected
class to elect candidates of its choice, or its ability to influence the outcome of elections;

WHEREAS, on March 5, 2018, the District received a letter from attorney Scott Rafferty on
behalf of the Latino Information and Resource Network, the Broderick Area Homeowners'
Association, Maria Grijalva, Edward Castorena, and Sandra Miranda, alleging that the
District’s current at-large election system violates the CVRA as it "dilutes minority electoral
influence in the election of board members to the [District]. ...;"

WHEREAS, upon application to the Yolo County Committee on School District Organization
("County Committee"), the election of Board members may be transitioned from "at large"
to "by-trustee area" elections;

WHEREAS, following discussion of the CVRA and the District’s current at-large elections the
Board adopted Resolution No. 1718-22, which indicated that the Board intended "to make
the transition from at-large to by-trustee area elections in a deliberate and thoughtful
manner which provides sufficient time for the Board and community to develop the trustee
area boundaries" with implementation following the 2018 election;

WHEREAS, the District retained an experienced demographer to work with its legal counsel
and staff to develop proposed trustee area boundary maps;

WHEREAS, four proposed trustee area boundary maps (Green, Orange, Purple, Yellow)
were developed during the process and posted for public review on the District’s website;

WHEREAS, all proposed trustee area boundary maps incorporate the use of a single-
member by-trustee area election system;

WHEREAS, the populations of the trustee areas in all of the proposed trustee area
boundary maps are substantially equal in population and are drawn to be compact and to
contain cohesive, contiguous territory to the extent possible in compliance with legal
requirements;
WHEREAS, pursuant to Elections Code section 10010 the District held six public hearings on potential trustee area boundary maps; two public hearings prior to the drafting of any maps (June 14 and June 28, 2018), three public hearings at which public comment was sought on draft maps (July 19, August 23, and September 13, 2018), and a final public hearing at the meeting at which this resolution is considered (September 27, 2018);

WHEREAS, the District posted information about the process and all draft maps on a dedicated page on its website;

WHEREAS, the District hosted committee forums at the Southport Cafeteria and Bryte Café on June 20, August 22, September 5, and September 19, 2018, at which is received public comment on the proposed trustee area boundary maps;

WHEREAS, the Board has considered all public comment on the maps and elections sequence it received;

WHEREAS, the Board seeks to adopt a specific trustee area boundary map and election sequence for implementation following the 2018 election for Board members;

WHEREAS, the Board may request, at a later date, that the State Board of Education waive the provisions of the Education Code requiring voter approval of this proposal at a special election.

NOW, THEREFORE, BE IT FURTHER RESOLVED by the Board of Education of the Washington Unified School District that:

1. The foregoing recitals are true and correct.

2. That the Board adopts the trustee area boundary map attached hereto as "Exhibit A" (also known as the "GREEN" map) and believes that its adoption would serve the public interest of the District’s residents and voters.

3. That each Board member shall continue to serve their current terms.

4. That the trustee areas from which Board members shall be elected in November 2020, and every four years thereafter, are Areas 2, 3, and 4.

5. That the trustee areas from which Board members shall be elected in November 2022, and every four years thereafter, are Areas 1 and 5.

6. That this resolution shall serve as the District’s proposal to the County Committee. The Board hereby requests that the County Committee approve the establishment of the trustee area boundaries indicated on Exhibit A pursuant to Education Code section 5019, subdivision (c)(1) and establish by-trustee area elections for election of members of the Board pursuant to Education Code section 5030, subdivision (b).

7. That the trustee area boundaries and by-trustee area elections take effect upon approval and following the November 2018 elections.

8. That the Superintendent and/or her designee are hereby directed to take all necessary steps to:
(1) submit this resolution to the County Committee pursuant to Education Code section 5019;

(2) notify the responsible county officials of the Board’s determination and provide whatever assistance may be required to implement the Board’s direction for future election of Board members; and,

(3) take any action and/or execute any documents which are necessary to carry out, give effect to, and comply with the terms and intent of this resolution.

RESOLUTION AUTHORIZING THE APPLICATION AND REQUEST TO THE STATE BOARD OF EDUCATION FOR A WAIVER OF THE REQUIREMENT THAT THE ESTABLISHMENT OF TRUSTEE AREAS AND ADOPTION OF A “BY-TRUSTEE AREA” ELECTION PROCESS BE SUBMITTED TO THE ELECTORS AS SET FORTH IN EDUCATION CODE SECTIONS 5019, 5020, 5021 AND 5030

WHEREAS, the Washington Unified School District (“District”) is governed by a five member Board of Education (“Board”) which currently uses an at-large system of electing its Board members; and

WHEREAS, at-large electoral systems, such as the system currently established within the District, are subject to challenge under the California Voting Rights Act of 2001, codified at sections 14025-14032 of the California Elections Code (“CVRA”); and

WHEREAS, on March 5, 2018, the District received a letter from attorney Scott Rafferty alleging that the District’s current at-large election system violates the CVRA as it “dilutes minority electoral influence in the election of board members to the [District]…;”

WHEREAS, by-trustee area electoral systems are not vulnerable to challenge under the CVRA; and

WHEREAS, in a by-trustee area system of election, candidates for the Board must reside within a specific geographic subarea of the District called a “trustee area” and candidates are elected only by the voters of that trustee area; and

WHEREAS, a school district may transition from an at-large electoral system to a by-trustee area electoral system if its governing board petitions the local county committee on school district organization by resolution to initiate the transition under California Education Code section 5019(c)(1); and

WHEREAS, the Board adopted Resolution No. 1718-22 at its meeting on April 12, 2018 proposing transitioning from at-large to by-trustee area elections, and determining to engage the community and other stakeholders in a deliberate and thoughtful manner, including through a series of public hearings regarding trustee area boundary maps, such that approval of boundary maps would be completed before the end of 2018 allowing for implementation for the 2020 Board elections; and

WHEREAS, the District retained an experienced demographer to work with its legal counsel and staff to develop proposed trustee area boundary maps; and
WHEREAS, subsequent to six public hearings and four community forums, the Board adopted Resolution No. 1819-09 at its meeting on September 27, 2018, adopting a proposed trustee area boundary maps (known as the “Green” map), and directing that its proposal be submitted to the Yolo County Committee on School District Organization for approval; and

WHEREAS, under the provisions of Education Code section 5020 and related sections, once approved by a county committee on school district organization, the establishment of trustee areas and adoption of a by-trustee area election process must be put to a vote by the electors of the District; and

WHEREAS, Education Code section 33050 et seq. allows the governing board of a school district to request the State Board of Education (“SBE”) waive all or part of any section of the Education Code or any regulation adopted by the SBE that implements a provision of the Education Code, subject to certain exceptions; and

WHEREAS, to avoid the cost, expense, uncertainty, and potential liability inherent in conducting a districtwide vote on the issue, the District is seeking a waiver of the election process of Education Code sections 5019, 5020, 5021 and 5030 from the SBE; and

WHEREAS, Education Code section 5020 and related sections are not listed as exceptions in Education Code section 33050 et seq. and can thus be waived; and

WHEREAS, to obtain a waiver, the District must comply with Education Code and California Department of Education (“CDE”) and SBE regulations; and

WHEREAS, the District distributed a notice specifically inviting public testimony regarding the waiver, and said notice was printed in a local newspaper of general circulation and included the date, time, location and subject of the hearing; and

WHEREAS, the District’s Superintendent has consulted with the District’s PTO Presidents’ Council and Superintendent’s Student Advisory Council, both of which did not object to the submission of the waiver request;

WHEREAS, the District’s Superintendent has consulted with both of the District’s bargaining units, the West Sacramento Teachers’ Association and the California School Employees Association, both of which supported submission of the waiver request;

WHEREAS, on November 8, 2018, at this meeting and prior to consideration of this resolution, the District conducted a properly noticed public hearing at which time the public was able to testify on the waiver proposal.
NOW, THEREFORE, the Board of Education does hereby resolve as follows:

Section 1. The above recitals are true and correct, and the Board so finds and determines.

Section 2. The Board hereby declares its intention to seek a waiver of Education Code section 5020, and portions of related sections, pertaining to the requirement that the establishment of trustee areas and adoption of a by-trustee area election process must be put to a vote by the electors of the District.

Section 3. The District's Superintendent and/or her designee, is authorized and directed to submit a General Waiver Request to the CDE, seeking a waiver of the requirement that the establishment of trustee areas and adoption of a by-trustee area election process must be put to a vote by the electors of the District under Education Code section 5020, and related sections, in order to insure the timely implementation of the District's trustee areas and the District's transition from its current at-large electoral process to a by-trustee area electoral process.

Section 4. The Superintendent and/or her designee are hereby directed to take any action and/or execute any documents which are necessary to carry out, give effect to, and comply with the terms and intent of this resolution.
