6.4. Adoption of the 2018-2019 and 2019-2020 Gann Limit

**Description**
The Gann Amendment, Proposition 4, 1979, added Government Code 7902.1, which establishes maximum appropriation limits for state and local governments, including county offices of education. The state law that implemented the Gann Amendment requires that all county offices of education establish their appropriation limits each year by Board resolution.

Resolution #19-20/13 (refer to attached) sets forth the 2018-2019 Gann Limit of 11,795,874.56 and states that the appropriations for the 2018-2019 fiscal year do not exceed the Gann Limit.

The worksheets used to establish the Gann Limit calculations are developed annually by the California Department of Education. The completed worksheets are also available for review in the Internal Business Department.

6.5. Committed Fund Balance

**Description**
The Governmental Accounting Standards Board (GASB) issued Statement No. 54 which establishes a hierarchy clarifying the constraints that govern how a government entity can use amounts reported as fund balance. The committed fund balance classification reflects amounts subject to internal constraints self-imposed by formal action of the government’s highest level of decision-making authority.

LEA’s that wish to continue to use Fund 14 for purposes of deferred maintenance of its facilities may do so only if a substantial portion of these fund inflows are restricted or committed revenue sources and, further, only if those restricted or committed revenue sources are expected to continue. This requires taking formal action to commit state revenues for the purposes of deferred maintenance.

7.4. Curriculum Proposal for the Ag. Welding Training Program for Adults

**Description**
YCOE is interested in providing short-term Career Technical Education (CTE) courses for youth and adults.

We have been exploring opportunities to partner with Health and Human Services to offer courses of interest and relevance to their clients. In order to do that, YCOE would have to be on the “Eligible Training Provider List (ETPL)”.

From Employment Development Department (EDD) website: **California’s Eligible Training Provider List (ETPL)** provides customer-focused employment training resources for adults and dislocated workers. The statewide list includes qualified training providers who offer a wide range of educational programs, including classroom, correspondence, online, and apprenticeship programs. The ETPL was established in compliance with the Workforce Investment Act of 1998 and amended by the Workforce Innovation and Opportunity Act (WIOA) of 2014. The list includes training providers eligible to receive Individual Training Accounts through WIOA Title I-B funds. For more information, view the [WIOA ETPL Policy and Procedures](https://www.edd.ca.gov).  

In order to be included on the ETPL, we need to have a course that has been approved by the Yolo County Board of Education. The attached course was developed and piloted with this goal in mind.

**Recommendation**
Information Item. This item will return to the Board as an Action Item at the November 19, 2019 Regular meeting.
